

Building Quality Without Compromise

The Gottardo Group of Companies is a real estate developer, design builder and general contractor serving clients throughout South Western Ontario.

Successful completion of prestigious developments, office buildings, industrial distribution and manufacturing facilities, retail centres and specialty use buildings has established Gottardo as a leader in the building sector.

Gottardo is dedicated to helping their clients find the right solution for their needs while making the construction process as seamless as possible which is accomplished by combining a wealth of industry and construction expertise with their team of experienced and talented professionals.

Development

Vast experience at site selection, land purchase and sale, financing, marketing, leasing and design-build make the Gottardo's Development service the ideal choice.

General Contracting

When price is king or project dynamics are less complex, Gottardo General Contracting is the owner's preferred delivery approach for value.

Masonry

Through superior client service, high quality craftsmanship and unparalleled dedication, Gottardo Masonry remains a number one choice for new and repeat customers.

Design-Build

Gottardo's Design-Build service simplifies procurement of design and construction services, offering customers the convenience of dealing with a single point of contact.
